## REVIEW OF LITERATURE

1. Sampoorna Grameen Rozgar Yojana (SGRY): To make a dent on the prevailing poverty, unemployment and slow growth in the rural economy and to provide food security, it is necessary to provide a demand driven infrastructure at the village level to facilitate faster growth in the rural areas and to increase opportunities of employment through access to the market oriented economy. To provide a greater thrust to additional wage employment, infrastructural development and food security in the rural areas, the Prime Minister of India announced on 15th August 2001, launching of an ambitious New Scheme named 'Sampoorna Grameen Rozgar Yojana (SGRY)' with an annual outlay of Rs.10,000 crore. The Sampoorna Grameen Rozgar Yojana was launched on 25 September, 2001 by merging the on-going schemes of Employment Assurance Scheme and the Jawahar Gram Samridhi Yojana with the objective of providing additional wage employment and food security, alongside creation of durable community assets in rural areas. The programme is self-targeting in nature with provisions for special emphasis on women, scheduled castes, scheduled tribes and parents of children withdrawn from hazardous occupations. While preference is given to BPL families for providing wage employment under SGRY, poor families above the poverty line can also be offered employment whenever NREGA has been launched. (Reference 1)

2. Sampoorna Grameen Rozgar Yojana Guidelines (2004) - To provide a greater thrust to additional wage employment, infrastructural development and food security in the rural areas, an ambitious New Scheme with an annual outlay of Rs.10,000 crores (in terms of cash and food grains) was launched. The Ministry of Rural Development reviewed the hitherto on-going Schemes of the Employment Assurance Scheme (EAS), (the only additional wage employment Scheme for rural areas), the Jawahar Gram Samridhi Yojana 78 (JGSY) (a rural infrastructure development Scheme) and by merging them into one Scheme, launched the New Scheme of the Sampoorna Grameen Rozgar Yojana (SGRY) w.e.f 25th September, 2001 (Reference 2)

3. Tripathi K.K. (2013) - MGNREGA assures generation of employment opportunity in the rural areas by absorbing casual labourers in the rural labour market. Resolution of important programmatic and institutional issues viz. quality of assets created under MGNREGA, social audit, planning and staffing are the need of the hour. Further, proactive disclosure of programme information and dissemination of core provisions of the act through print, electronic media and innovative street plays would help not only in ensuring transparency in implementation but also in generating awareness and building capabilities among the rural employable poor households.
